From: State Director

Subject: Mandatory Safety Training Course (OSHA 600) DD: 10/03/03

We have scheduled the OSHA 600 training to be held in the Uncompahgre Field Office in Montrose the week of October 27, 2003, and in the Colorado State Office the week of November 17, 2003. Both sessions are four days. Participants will not need to pay class fees, but will be responsible for their travel costs.

This course is mandatory for collateral safety and health employees, safety and health committee members, and supervisors. The training will be made available to Forest Service and other government agency employees as room allows.

By October 3, 2003, please send John DeVore, State Safety Officer, a list of individuals from your office that will participate. Also, indicate which session they will attend.

If you have questions, please contact John DeVore at 303.239.3650 or Glenn Bessinger at 303.239.3762.
